

Nativity of the Most Holy Theotokos Serbian Orthodox Church
cordially invites you to a

Serbian/European Food Festival

October 2nd 2016 • Noon to Evening

2148 Michelson Dr., Irvine 92612

Bring your family and friends to enjoy this unique dining experience – the best in homemade Serbian and European food and pastries.

While Serbian music plays in the background and the kids frolic in the jumpy house, you can dine in a hospitable atmosphere and then browse through the displays of books, icons and crafts.

Ethnic dancing will further highlight the event bringing you even closer to the traditions of the "old country".

All are welcome and will be made to feel right at home.
